

## **Code Enforcement**

No unlicensed, unregistered, inoperable or uninsured vehicles are allowed in the Village of Sandy Creek unless they are stored inside a building.

**Property Maintenance:** Lawns may not exceed nine inches in height. Outdoor storage of refrigerators is prohibited.

**Complaints** are accepted in writing using a village complaint form. Please stop by the Village Office if you wish to complete a form or print one from this website.

### **New York State Law requires:**

Each single-family home must have a Carbon Monoxide detector.

All commercial and apartment buildings must have Carbon Monoxide detectors after June 27, 2016.
