There was a formal complaint submitted by Michael Hovey via email that Clerk Sprague shared with the Board. Mr. Hovey informed the board that he has a disability that forces him to use a scooter for mobility and vehicles drive at dangerous speeds past his home on Hadley Road. He would like to see sidewalks on the street so that he can operate his scooter in a safer environment and on better terrain than the grass or dirt. Considering the massive expense of sidewalks, after some discussion, the board decided to install handicap signs on both sides of the road near his home motion made by Trustee LaRue, seconded by Trustee Turo and carried. This is in hopes to slow traffic in that area.

Agenda Item Nine | Public Comment:
There was no public comment.

At or around 8:20pm, a motion to adjourn was duly made by Trustee LaRue, seconded by Mayor Miller and carried.

Respectfully submitted,

Megan K. Sprague
Clerk/Treasurer
