At 7:00pm, after the mayor led everyone in the Pledge of Allegiance, the mayor opened the meeting.

Bills & Financials:
Upon motion duly made by Trustee LaRue, seconded Trustee Turo and carried with a 2-0 vote, the Board approved the following Abstract:

- Abstract 12: $7,285.63
  - General Fund: $7,179.64
  - Water Fund: $96.00

Other Business:
County Legislator Michael Yerdon was present to report that the County has been working actively on getting Broadband for all of Oswego County despite rumors that might have said it was not coming to Sandy Creek Village. Legislator Yerdon gave the mayor some contacts to call if there are further questions on the subject.

CEO Jimmy Sprague, hired to complete the lead and copper inventory for the EPA, went over his findings. He stated that the report should be submitted before the week is over. CEO Sprague also reported that he has been in touch with Engineer Matt Mahaffy of GYMO about the unsafe structure located at 2070 Harwood Drive. Mr. Mahaffy provided drawings and plans, but stated that the owner, Rebecca Rudd has not yet confirmed the drawings and plans to move forward.

Chief Lance Collins brought bills to the meeting. He stated that there were about $40,000 worth of bills to be paid. The Board agreed to encumber the total cost of all that he brought to next year's budget. That would leave about $40,000 left in the chief's budget. He asked if that amount could be encumbered into next year's budget to repave the Firehall parking lot. The Board agreed to this, motion made by Trustee Turo, seconded by Trustee LaRue and carried. Chief stated that Chevy Blazer that sits out behind the fire department can go for scrap. Mayor Miller asked that the older engine truck be sold at auction as soon as possible. The Chief agreed.

At or around 8:10pm, a motion to adjourn was duly made by Trustee LaRue, seconded by Mayor Miller and carried.

Respectfully submitted,

Megan K. Sprague
Clerk/Treasurer
